## FOR IMMEDIATE RELEASE

### RANDOLPH EYE ASSOCIATES CONTINUES EXPANSION WITH THE ADDITION OF DR. PHIYEN H. LE

**Randolph, MA – November 10, 2009-** Randolph Eye Associates, Inc. ([www.randolpheye.com](http://www.randolpheye.com)), your primary eye care optometric practice, is pleased to announce Dr. Phiyen H. Le as the newest optometrist to join our staff. Dr. Phiyen H. Le joins a team of three other experienced eye care professionals, headed by Dr. Ronald M. Cline. Dr. Cline, owner of Randolph Eye Associates, has been serving the eye care needs of patients in the South Shore and Greater Boston for over 35 years.

“We are pleased to welcome Dr. Le as the newest member of our medical staff. Her background and medical education is a great asset to our practice and to our community,” said Dr. Ronald Cline, owner of Randolph Eye Associates. “Dr. Le's addition to Randolph Eye Associates is an important part of our explosive growth this past year. We continue to provide state-of-the-art, personal and professional eye care services to the community, just as we have been doing for the past several decades,” said Dr. Cline.

Randolph Eye Associates, located in Randolph Massachusetts, across from Randolph High School, recently expanded the office to better serve the community. With the latest Optometric technologies, a fully handicap accessible office/exam room and a larger and more comprehensive optical boutique, Randolph Eye Associates is one of the most progressive optometric offices in the Greater Boston.

“I am pleased to be joining this team of experienced eye care professionals,” said Dr. Le. “Randolph Eye Associates, under the leadership of Dr. Ronald Cline, has a tradition of serving the community with the most advanced treatment and latest technologies, while maintaining that personal connection. I am thrilled to be in an optometric practice that counts their patients first,” added Le.

Phiyen H. Le, O.D., a *magna cum laude* graduate of Boston University, received her Doctor of Optometry degree from the New England College of Optometry in June 2008. Dr. Le is fluent in Vietnamese, and also speaks conversational Spanish.

Phiyen H. Le is a member of Beta Sigma Kappa, the international optometric honors society and the American Academy of Optometry.

Prior to working at Randolph Eye Associates, Le completed an optometric residency at the Edith Nourse Rogers Memorial Veterans Hospital with a specialization in primary and geriatric optometry. She has also worked for Sehgal Eye Associates, the Office of Dr. David Greenstein, and interned at the East Boston Community Healthy Center and Portland VA Medical Center in Oregon.

Randolph Eye Associates provides comprehensive eye care for the entire family. All of the doctors specialize in contact lenses, pediatric, low vision, dry eye diagnoses and treatment as well as your general primary eye care.

Randolph Eye Associates is a TLC Laser Eye Centers Affiliate. The Boston office, Vision Specialists, is located on Blue Hill Avenue in Mattapan Square. Randolph Eye Associates takes most major medical plans and has night and Saturday appointments available.
